

Elections to Council Nucleus and Nominating committee 2024-2026

Motivation letter: Why are you interested in joining the Council Nucleus or Nominating committee (250 words max)?

My name is Stefano Nistri.

I candidate myself as Secretary of the Board of the Council for Cardiology Practice with the main aim of serving the Council in realizing multiple projects

In Particular:

- 1) I am wishing to complete an ongoing educational activity with EACVI, focusing on advanced imaging technologies (namely CT and MR) for the general cardiologist. The project is based on two separate documents (which are now to be completed) whose aims have been discussed in a meeting I have arranged in Padua (Italy) a couple of years ago. From these two documents two webinars will be funded and disseminated
- 2) AS Liaison Officer of the CCP I have just begun a new cooperation activity which is now to be analyzed by the nucleus of the CCP
- 3) As Liaison Officer I am contributing to arrange the first CCP meeting: since I have begun this activity I would like to follow its complete realization
- 4) As a member of the Educational Committee of the ESC I have introduced the issue of cardiology in the primary care setting, and I would like to follow its development in the future
- 5) I would like also to contribute in reinforcing the presence of the CCP in ESC guidelines and educational activities.

My name is Stefano Nistri.

I was born in Rome, took my Degree in Medicine at Florence University, and my Post Graduate in Cardiology at Padua University. I completed my PhD in Experimental and Applied Internal Medicine in Florence.

I live in Padua and carry my clinical activity exclusively in an outpatient setting, accredited with the Italian National Health System, as Chief of the Cardiology Service of CMSR Veneto Medica (Altavilla Vicentina, Italy) and as consultant cardiologist in other outpatient facilities.

My main interests regards cardiovascular imaging focusing on echocardiography, particularly on standard echocardiography in primary-care setting. My

specific research interests are valvular heart disease (with focus on aortic stenosis, regurgitation and bicuspid aortic valve), hypertrophic cardiomyopathy and its phenocopies, left ventricular subclinical dysfunction with specific focus on diastolic dysfunctions, and definition and detection of abnormalities of thoracic aorta.

Here my 130 publications in Pubmed [https://pubmed.ncbi.nlm.nih.gov/?term=Nistri,+Stefano\[Author\]&sort=date](https://pubmed.ncbi.nlm.nih.gov/?term=Nistri,+Stefano[Author]&sort=date)

I served as Chairperson of the Working Group on Echocardiography of the Italian Society of Cardiology and of the Cluster on Cardiovascular imaging of the same Society.

Since 2017, I am President of the Veneto Section of A.R.C.A. (Regional Association of Ambulatory Cardiologists) and member of the National Board of A.R.C.A.

I was member of the ESC Task Force for the ESC Guidelines on HCM.

I am ESC-professional Member and Silver Member of the EACVI, member of the Council for Cardiology practice and of the Council on Heart Valve disease.

I have been a faculty member of multiple ESC and EACVI meetings

I am actually serving as Liaison Officer of the Council for Cardiology Practice. As Liaison Officer of the CCP, I co-authored "Late phase of COVID-19 pandemic in General Cardiology. A position paper of the ESC Council for Cardiology Practice" and arranged an ongoing educational program joint with EACVI, which should be completed in the next year. Moreover,

Moreover I am a member of the Editorial Board of Cardiopractice, and a Deputy Editor of European Heart Journal - Imaging Methods and Practice.

I am also a member of the Educational Committee of the ESC, and a member of the endorsement committee of the ESC.

I candidate myself as Secretary of the Board of the Council for Cardiology Practice with the main aim of serving the Council in completing the projects I have begun. In particular I am wishing to complete to cooperation with EACVI, to contribute in organizing meeting activities for the CCP and to support all the other initiatives addressed by the Board of the CCP. In this perspective, my actual experience of Liaison Officer, will be of help in supporting the above mentioned aims
