

Elections to Council Nucleus and Nominating committee 2024-2026

Motivation letter: Why are you interested in joining the Council Nucleus or Nominating committee (250 words max)?

I work at Oslo University Hospital, Ullevaal, Norway. Norway is an ESC member country. I am a member of the Council of Cardio-Oncology and currently hold no position at the ESC.

I have been active in the council since 2020, first by holding a Nucleus Member position, then by taking part in two of the council's subgroups: Cardiovascular imaging and Immunotherapy.

I am highly motivated to join the council again. Firstly, I am the chair for the Nordic Cardio-Oncology Society, hence, I can bring the Nordic perspectives in the council, while I can bring back the European perspectives to the Nordic countries. Secondly, my ambition is to involve young cardiologists in the field of cardio-oncology and formalize a cardio-oncology training program in Europe. Having been part of establishing the "Cardiologists of Tomorrow" and two cardio-oncology units in Norway, I believe to have the qualities for this task. Lastly, I still think we need to work on further expanding and creating awareness of Cardio-Oncology by information and education, and believe to have the qualities to do so.

My involvement with cardio-oncology have been since 2010 with *PRADA* trial followed by *PRADA II*, which is still ongoing. I have a decent publication record, including working on educational, quality indicator and position papers in cardio-oncology. I am also co-editing the CardioMed cardio-oncology chapter. I believe my work has made me gain credibility among the peers in the field, I was invited as a speaker for the cardio-oncology session at the 2022 ESC conference in Barcelona.

CURRICULUM VITAE WITH TRACK RECORD

PERSONAL INFORMATION

Family name, First name: **Gulati, Geeta** (orcid no.0000-0001-7063-6862)

Date of birth: **27.06.1982**

Sex: **Female**

Nationality: **Norwegian**

EDUCATION

- 2020 Cardio-Oncology certificate from the International Cardio-Oncology Society
- 2020 Cardiologist (Norway)
- 2020 Internal Medicine Specialist (Norway)
- 2018 PhD. Dissertation date: 28.04.2018
Faculty of Medicine, University of Oslo, Norway
- 2007 Medical Doctor (MD)
Faculty of Medicine, University of Oslo, Norway

CURRENT AND PREVIOUS POSITIONS

- 2022→ Part of the International Cardio-Oncology Society Research Working Group
- 2022→ Board member of the Norwegian Health Association
- 2022→ Part of Cardiovascular imaging and Immunotherapy subgroups of the Council of Cardio-Oncology (ESC)
- 2020-2022 Nucleus member European Society of Cardiology Council of Cardio-Oncology
- 2020→ Consultant cardiologist at Oslo University Hospital, Ullevål, Oslo Norway
- 2019→ President Nordic Cardio-Oncology Society
- 2018-2020 Norwegian representative for Heart Failure Specialists of Tomorrow in European Society of Cardiology
- 2018→ Senior researcher at Akershus University Hospital, Lorenskog, Norway
- 2017-2023 Secretary at the Norwegian Society of Cardiology
- 2017 Part of the team establishing Cardio-Oncology unit at Oslo University Hospital, Ullevål, Norway
- 2017-2019 Chair of Cardiologists of Tomorrow-Norway
- 2016 Part of the team establishing Cardio-Oncology outpatient clinic at Akershus University Hospital

PROJECT MANAGEMENT EXPERIENCE

- 2022→ Co-editor for ESC CardioMed Cardio-Oncology chapter
- 2018→ Deputy Coordinating Investigator and Medical Officer at a national multicentre cardio-oncology project
- 2017→ At the steering committee for the CARE (Heart failure in breast cancer patients in the Cardio-oncology outpatient clinic at Akershus University Hospital) trial

SUPERVISION OF GRADUATE STUDENTS AND RESEARCH FELLOWS

- 2019→ Co-supervisor for 1 PhD student, University of Oslo, Norway

ORGANISATION OF SCIENTIFIC MEETINGS

2024	In the organizing committee of the Nordic Cardio-Oncology Meeting
2022	On the organizing committee for the meeting for Norwegians attending the European Society of Cardiology Congress
2022	On the organizing committee of the Autumn National Cardiac Meeting
2021	Chair of the organizing committee for the virtual meeting for Norwegians attending the European Society of Cardiology Congress
2021	Chair of the organizing committee of the virtual Spring National Cardiac Meeting
2020	Chair of the organizing committee for the virtual meeting for Norwegians attending the European Society of Cardiology Congress
2020	On the organizing committee of the Autumn National Cardiac Meeting
2019	Chair of the organizing committee of the 1 st Nordic Cardio-Oncology Meeting

INTERNATIONAL SPEAKER INVITATIONS (SELECTED)

2024	Speaker at the Nordic Cardio-Oncology Meeting about: “Role of echocardiography in cancer patients- pro or con?” and “Early detection, prevention or protection of cardiotoxicity in breast cancer”
2022	Poster moderator at the European Society of Cardiology congress i Barcelona
2022	Speaker at the European Society of Cardiology Congress in Barcelona about “Computed tomography in patients with late effects of radiotherapy”
2021	Speaker at a European Association of Preventive Cardiology webinar about “Cardio-oncology rehabilitation to target cardiovascular risk in cancer patients with and without CVD”
2021	Speaker at a Council of Cardio-Oncology webinar about “Cancer associated thrombosis: have DOACs changed daily practice?”
2021	Speaker at a Council of Cardio-Oncology about “How to handle 5-FU cardiotoxicity”
2021	Speaker at the Virtual global cardio-oncology conference about Cardio-Oncology around the world
