

Prof. Lis Neubeck, UK

Professor Lis Neubeck (FRSE, FESC, FIPC Hon) is a cardiac nurse with over 25 years of experience in a range of cardiac in-patient and out-patient settings.

She is Professor of Cardiovascular Nursing in the School of Health and Social Care and Head of the Centre for Cardiovascular Health at Edinburgh Napier University. Her research focuses on innovative solutions to secondary prevention of cardiovascular disease, identification and management of atrial fibrillation, and use of digital health to improve access to health care.

Lis is the NHS Research Scotland Cardiovascular Clinical Network Lead, and the European Society of Cardiology (ESC) patient forum lead.
