

Dr. Richard HOLBOROW, UK

Richard Holborow BSc (Hons) MSCST RCCP

Global Head of Clinical Compliance for BSI Notified Body (NL) & BSI Approved Body (UK)

Richard Holborow is the Head of Clinical Compliance at BSI. Prior to his role at BSI, Richard worked as a clinical physiologist for 16 years within the National Health Service (NHS) specialising in implantable cardiac devices and electrophysiology. Richard joined BSI in 2018 bringing his clinical expertise and passion for clinical data to the organisation. Richard is also involved with the working groups of the Medical Device Co-ordination Group (MDCG) for the EU.
