

Dr. Fielder CAMM, United Kingdom

Dr Fielder Camm is Chair of the Young Cardiovascular Professionals committee of the European Society of Cardiology 2024-2026. He is currently a cardiology trainee working in Oxford with an interest in electrophysiology and devices. He has a DPhil from the University of Oxford and has varied academic interests including atrial fibrillation, adiposity, and big data. Fielder is also the immediate past-president of the British Junior Cardiologists Association which represents cardiology trainees in the UK, having led that organization from 2022 to 2024. He is also one of the Founding Editors and previous Executive Editor of European Heart Journal – Case Reports.
