

Mr. Fabio D'Atri, Belgium

Fabio D'Atri is a policy officer in the unit "Medicines: policy, authorisation and monitoring" in the health and food Safety Directorate General of the European Commission (DG SANTE).

Fabio has a PhD in biochemistry from the University of Geneva and a master's in management of biotech companies from the Grenoble School of Business.

After working for several years as a university researcher and both in the public and private sector he joined the European Commission in 2004.

In the Directorate general Health and Food Safety he has first worked on several areas of the food legislation, from nutrition to food contact materials. In 2011 he joined the unit dealing with pharmaceutical products where he has worked on quality of medicines, falsified medicines, and clinical trials. During 2016 and 2017 Fabio was seconded to the European Centre for Disease Prevention and Control (ECDC) in Stockholm and worked particularly on vaccination and antimicrobial resistance related issues. Since November 2017 he oversees the pediatric medicines file.
