

## Dr. Kevin O'GALLAGHER, United Kingdom

Dr O'Gallagher is a Clinician Scientist and Interventional Cardiologist at King's College London and King's College Hospital.

His research interests include exploring pathophysiological mechanisms of Heart Failure with Preserved Ejection Fraction (HFpEF) and the use of artificial intelligence (AI) methods to improve diagnosis of HFpEF. He is a former member of the Education Committee of the British Society of Echocardiography (BSE) and co-author on multiple guideline protocols.
