

Mr. Andre KRUEGER, Novartis Pharma AG

Coming from a Chemistry/Biochemistry background, Andre draws from 20+ years of experience in the pharmaceutical industry, all with Novartis. Contributing to different roles with increasing responsibility in Sales, Medical Affairs, Clinical Development and Early Product Strategy, he has had the opportunity to work in a broad range of therapeutic areas, including thrombosis, osteoporosis, hypertension, diabetes, heart failure and atherosclerosis on a country as well as global level.

Currently, Andre is leading the Novartis Global Medical Affairs team for ASCVD as Executive Medical Director in Basel headquarters and is part of the Cardiorenal and Metabolism Therapeutic Area leadership team.
