National Community Heart Failure Conference: “The Heart Failure Epidemic”, 4.5.2016

- **A national conference in Tel Aviv, organised by the Working Group on Heart Failure of the Israel Heart Society, in conjunction with the Working Group on Cardiology in the Community.**
- **Lectures on many aspects of the HF epidemic in the community: assessment, treatment, preventing readmissions, comorbidities, ambulatory monitoring, etc.**
- **Attended by almost 300 people, including physicians (cardiologists, GPs, internal medicine), nurses, paramedics, students.**
- **Including a lecture by Prof. Richard Hobbs, Oxford. (Prof. Jill Riley was unable to attend and her lectures were delivered by others)**

National Community Heart Failure Conference, 4.5.2016 Access on Website of the Israel Heart Society

The screenshot shows the website of the Israel Heart Society (www.israel-heart.org.il) with a central announcement for the National Community Heart Failure Conference. The main heading reads: "סיקור ההכנס הלאומי לאי ספיקת לב | 4 למאי 2016, מלון דיזיד אינטרקונטיננטל, תל אביב". Below this, there is a large image of a red heart with a stethoscope and the text: "הכנס הלאומי לאי ספיקת לב 2016 | מלון דיזיד אינטרקונטיננטל, תל אביב". The website layout includes a navigation bar at the top with various icons for ESC, ACC, AHA, WHF, and other related organizations. On the left side, there is a sidebar with a list of news items and a "דעות האגוד" section. On the right side, there is a search bar and a "חיפוש בכנסים ואירועים" section with a list of categories. The bottom of the page shows the Windows taskbar with the date and time as 3:39 PM on 10/8/2016.

Local activities-Lectures and Exercise Session, Hadassah University Medical Center, Jerusalem, 9.5.2016

Local activities-Lectures at Community Heart Failure Clinic and local general practices, Ashkelon, 9.5.2016
